**Week of May 19<sup>th</sup>**

**As Brandon talked about hidden faithfulness, what one thing stood out to you? Was there anything that convicted you? Was there anything that affirmed you? Share with your group.**

**Oswald Chambers said:**

*“There is something in human pride that can stand big troubles, but we need the supernatural grace and power of God to stand by us in the little things. The tiniest detail in which we obey has all the omnipotent power of the grace of God behind it. When we do our duty, not for duty’s sake, but because we believe that God is engineering our circumstances in that way, then at the very point of our obedience the whole superb grace of God is ours.”*

**How does the scripture Brandon shared from Matthew 6 relate to this statement in your life today? (This week? This season of life?)**

**Social media dominates our world. The gist of social media is “Look at me!” So, what are some small things you notice in other people that reflect Jesus to you? Is there an obscure step or some small things you can start doing to reflect life of Jesus in you and make a difference in others? Share with your group.**

**Somebody once said, “Faith is extremely personal...but we need to focus on the right person (God)!” As we break from weekly LIFEGroup meetings for the summer, what is one thing your group can pray for you?**
